# Indicator code Priority axis Indicator

110810 PO 1 Number of researchers using the built infrastructure  
110820 PO 1 Number of students in master's and doctoral study programs using the built infrastructure  
110300 PO 1/2 Number of newly created jobs, R&D employees - total  
110302 PO 1/2 Number of newly created jobs, R & D employees - women  
071700 PO 1/2 Number of newly created jobs, total researchers  
071800 PO 1/2 Number of newly created jobs, researchers - women  
071900 PO 1/2 Number of newly created jobs, researchers up to 35 years  
072000 PO 1/2 Number of newly created jobs, researchers under 35 - women  
0609 PO 1/2 Number of newly created jobs, researchers having completed university education (Mgr., PhD.) At other tertiary education institutions  
0610 PO 1/2 Number of newly created jobs, researchers having completed university education (Mgr., PhD.) At other tertiary education institutions (at foreign institutions)  
0611 PO 1/2 Number of newly created jobs, researchers having completed higher education (Mgr., PhD.) At other tertiary education institutions (researchers under 35)  
Indicator code Priority axis Indicator

# Indicator code Priority axis Indicator

074902 PO 1/2 Number of successful graduates of  
doctoral study programs

110502 PO 1/2 Publications (impacted journals) (Jimp)  
Publications (other)

Professional publications 1

110503 PO 1/2 Patents (national)

Patents (international, triadic (EU, US, Japan))

Research results protected under a special legal  
regulation 1

# Indicator code Priority axis Indicator

110504 PO 1/2 Pilot plant, proven technology, variety... (Z, T)  
Prototype, methodology, utility and av. pattern, ... (S)  
Applied research results 1

111200 PO 1/2 Volume of contract research

110710 PO 1 Number of projects of cooperation of the  
application sphere with centers of excellence

111300 PO 1 Volume of funds for R&D obtained from foreign  
sources

0603 Volume of funds obtained in the public tender for targeted  
support of R&D of national resources

110516 PO 1/2 Extended or reconstructed capacities - area (m<sup>2</sup>)

110517 PO 1/2 Built-in capacities - area (m<sup>2</sup>)

# Autumn 2020 Czech National RI Roadmap Evaluation including KPIs
