FOR SMART GROWTH

Contract: BG05M2OP001-2.005-0001

Procedure: BG05M2OP001-2.005 Maintenance and Improvement of the Developed University Ranking System – Phase 1

Beneficiary: Ministry of Education and Science

Title: Maintenance and Improvement of the Developed University Ranking System – Phase 1

Duration: 15 June 2016 – 15 December 2020

Total budget: BGN 2 794 922,92

SUMMARY:

The project is focused on the quality of higher education system by ensuring an objective evaluation based on ranking system data. The project proposal is in compliance with the legal basis in the field of higher education system and in particular with the Strategy for Development of Higher Education in the Republic of Bulgaria for the 2014-2020 period and its Action Plan.

ACHIEVED RESULTS:

An updated ranking system for 2018 exists. An annual edition of the updated ranking system for 2018 on paper in Bulgarian and English is issued. A Communication Plan on promoting of university ranking system among the stakeholders and target groups is elaborated and approved. Trainings and events involving target groups' representatives are carried out.
